STATINTL

[REDACTED]

reported that the DCI wants the chairs in his private dining room replaced - they are too low, uncomfortable and he doesn't like the color (black frames). Mr. Meloon and Mr.

STATINTL

[REDACTED] are considering replacing them with the duncan phyfe chairs that were used while Mr. McCone was DCI if Admiral Raborn likes them.

The flower pots have to be moved again. They were moved all the way to the railing so that wooden stands can be constructed. Then they will be returned to the drip line. The Director commented that already the plants are looking better from the rain that fell on them.
